## Wraparound Care Club

Energy Kidz is a leading provider of out of school childcare for primary school aged children, offering fun and affordable childcare delivered in a safe and supervised environment. Our qualified staff are DBS checked to an enhanced level, first aid qualified and are experienced in and passionate about the activities we offer.

All our clubs follow the playwork principles and offer lots of free play and free choice activities. Children can enjoy lots of activity, new games, messy play, wacky science experiments, wellbeing warrior activities, themed days and much more. We encourage children to try something new, but understand that not every activity suits every child so an alternative is always available.

A healthy snack is provided, details of which can be found on our website.
