

Year 1 Home Learning Grid Autumn 1: Due in on THURSDAY

Choose **ONE** home learning activity each week. You can choose which one to do and in which order you do them.

Parents/Carers please sign and date when your child has completed each task. For when you have a busy weekend, we have included a Family Week. These are only suggestions of some things you might do and there is no need put anything in the homework book for the family week, unless you wish to. Just sign to show that that is the activity chosen.

<p><u>English:</u> We are learning how to write lists in English. Write a shopping list. Make sure one word is on each line. For example: Apples Milk Cheese. <u>Challenge:</u> Get the items from your list in the shop. Is there anything you have forgotten- add this to your list!</p> 	<p><u>Science :</u> Look at some photos of yourself as a baby, a toddler and now. Can you put them in order? How have you changed? Please bring your photos in or email them to admin@albanwood.herts.sch.uk. We will be using them in our lesson on Wednesday 7th October. <u>Challenge:</u> We are also learning about our senses this half term. Find some things in your house which are: smooth, soft, bumpy, rough, hard, scratchy, warm, cold or furry. Draw a picture of each thing and write a caption in your book. E.g. The cat is soft.</p> 	<p><u>Geography</u> Look at an aerial view of our school area (you can use Google maps then press satellite). Can you see our school? Can you find your home? Show your adult how you get to school from your home using the map. You can walk from home to school to practise recognising 'left' and 'right'. You can also look at aerial view maps to see what other things you can notice. <u>Challenge:</u> Create a map to show your route to get to school from your home.</p> 
<p>Signature of parent/carer: Date completed:</p>	<p>Signature of parent/carer: Date completed:</p>	<p>Signature of parent/carer: Date completed:</p>
<p><u>Maths:</u> Part 1- Roll a dice. How many dots? What is up one more? Part 2- Roll a dice twice. Write the numbers down as an addition. Add the dots and write down the answer e.g. 4+3=7 How many can you do in 5 minutes? <u>Challenge:</u> Do 10 addition sums.</p> 	<p><u>Art:</u> We will be exploring Portraits this half term. Can you create a portrait using items in your home. For example- kitchen utensils, cutlery, stationery toys. Take a photo and add it to your book. <u>Challenge:</u> Can you label the photo of your portrait to tell us what you have used!</p> 	<p><u>Family Week:</u> For example: -a busy family weekend -a walk in the woods -a visit to a museum Or This is free for whatever lovely activity you choose to do together one weekend. You might want to write about this in your homework book.</p>
