Dear Parent / Carer

Friday 9th March 2018

Re: Executive Headship

Thank you all for your patience whilst the Academy Governing Body have been undertaking the recruitment process for a new headteacher. This has included looking at alternative structures with the Multi Academy Trust and I am delighted to announce that we have a strong short to medium term solution.

Paul Sutton, headteacher of Orchard Primary School in Watford, has agreed to be the Executive Head across Alban Wood/Orchard from 16th April 2018 until 31st August 2019. Paul has considerable experience as a head at Orchard Primary School, which joined the Multi Academy Trust in January 2018 and he is supported with a strong senior leadership team.

Charlotte Davis will officially leave on the 15th of April 2018 and we wish her well in relocating to a new home in Surrey. The governors would like to thank Charlotte for her outstanding contribution in her time at Alban Wood which has included stepping up as acting head on 3 occasions. She has been instrumental in the success of the school and has shown great dedication in the transition to an Academy in recent months. Thank you, Charlotte and good luck in the future.

Yours sincerely,

Mr Mark Ford
Chair of Governors
