

PUPIL VOICE NEWSLETTER - Issue 1, 2015-2016

Our first newsletter!

Welcome to our first newsletter. School, Eco council and the prefects will be writing to you quite often to inform you about what is happening in our school community.

Alban Wood Community Farm

We have an fantastic farm. The chickens produce many eggs per day. Our farm club and our special helpers have been busy. A big thank you to our weekend helpers.

Anti-Bullying Week

We had an assembly about anti-bullying and we read a book called Juice box. We decided to have a whole school anti-bullying promise. Anti bullying week is on the 16th to the 20th November. We hope to have all classes signed up to our promise by then.

On Friday 20th November it will be non-wisdom day. We would like everyone to wear blue and donate £1 to Kidzape.

Halloween disco

This year on the 6th November the school and eco councils are holding a disco. You can come in fancy dress and admission is £2. Food will be served. All money raised will go towards the farm.

Harvest

Last week was harvest and Pastor Erica came in to tell us what harvest was about. Pupils brought in goods to donate to New Hope. Thank you.

Library role

As a library prefect we like to be prefects because we like to help other people especially using story sacks with the younger children. We like to scan books for classes. Chloe and Olivia

Macmillan Cancer Coffee Afternoon

Thank you for donating your cakes to the coffee morning thanks to you we raised around \$150. School council really enjoyed doing the jobs and selling the cakes. Thank you.

Coming soon...

Year 5 Shakespeare rehearsals at the Abbey Theatre in St. Albans.

Thank you to our parent volunteers.
