

Reception Home Learning Grid Spring 1

Choose one home learning activity each week. You can choose which one to do and in which order you do them.

Parents/Carers please sign and date when your child has completed each task. For when you have a busy weekend we have included a Family Week.

These are only suggestions of some things you might do and there is no need put anything in the homework folder for the family week, unless you wish to. Just sign to show that is the activity chosen.
