

Year 1 Home Learning Grid Autumn 1: DUE IN ON A TUESDAY

Choose **ONE** home learning activity each week. You can choose which one to do and in which order you do them.

Parents/Carers please sign and date when your child has completed each task. For when you have a busy weekend, we have included a Family Week. These are only suggestions of some things you might do and there is no need put anything in the homework book for the family week, unless you wish to. Just sign to show that that is the activity chosen.

<p>Maths 1: Choose any number from 11-20. Ask an adult to help you spell the word. (E.g twelve) and drawn it really big and fat (bubble writing or wordart on the computer) in your book or on plain paper. Decorate it with that number of dots/stripes/zigzags on each letter. (e.g. 12 red dots on the T, 12 green stripes on the W) Choose different colours for each letter and pattern.</p> <p>Challenge: Write all the number words 1-20</p>	<p>Writing 1: Make a London landmark fact file. Write about one including details like where it is, when it was built, what it is used for etc You could present it as an illustrated little book or a poster.</p> <p>Challenge: Can you find another building like the one you chose either in another British city or somewhere else round the world?</p>	<p>Science : We are learning about humans and our senses. Think about the sense of touch. Try and find some things in your house, garden or woods which are: smooth, soft, bumpy, rough, hard, scratchy, warm, cold or furry. Draw a picture of each thing, or print out a photo, and label it in your book. E.g. My cat is furry.</p> <p>Challenge: Who is best at guessing an object hidden in a bag using only their hand?</p>	<p>Topic: London! Thank you for the amazing holiday homework you already did! A new task is to make an alphabet of London landmarks or famous places to visit - can you find one for every letter of the alphabet? Write them in order in your book, with a picture you have drawn/traced or printed.</p> <p>Challenge: Invent your own landmark, with a new name for any missing letters!</p>
<p>Signature of parent/carer: Date completed:</p>	<p>Signature of parent/carer: Date completed:</p>	<p>Signature of parent/carer: Date completed:</p>	<p>Signature of parent/carer: Date completed:</p>
<p>Maths 2: Roll a dice twice. Write the numbers down as an addition. Add the numbers in your head and write down the answer e.g. 4+3=7. Do 10 altogether.</p> <p>Challenge: How many can you do in 1 minute? 2 minutes? 5 minutes?</p>	<p>Writing 2: Write about your favourite things. What do you like to eat? Drink? Play? Where is your favourite place to visit? You can draw some pictures too.</p> <p>Challenge: What do you think your (or your friend's) pet's favourite things would be?</p>	<p>Creative: We will be studying pattern and printing in Art this half term. What can you find out about the artist Wassily Kandinsky? Can you use some objects at home to make a print like one of his? http://www.wassilykandinsky.net/work-370.php</p> <p>Challenge: Can print a picture using shades of only ONE colour?</p>	<p>Family Week: For example: -a busy family weekend -a walk in the woods -a visit to a museum Or This is free for whatever lovely activity you choose to do together one weekend.</p>
