

Year 1 Home Learning Grid SPRING 1: DUE IN ON A TUESDAY

Choose **ONE** home learning activity each week. You can choose which one to do and in which order you do them. Parents/Carers please sign and date when your child has completed each task. For when you have a busy weekend, we have included a Family Week. These are only suggestions of some things you might do and there is no need put anything in the homework book for the family week, unless you wish to. Just sign to show that that is the activity chosen.

<p>Maths 1: How many ways can you make 20? Use + - or x to make number sentences and write them neatly and clearly in your book. Do you have a system so you don't do the same one twice?</p> <p>Challenge: Can you make 20 with 3 numbers? How about 4 numbers?</p>	<p>Writing 1: Which is your favourite fairy tale? Why? What is your favourite part? Why? Who is your favourite character? Why? Write sentences to answer these questions or make a little booklet/ review of the story.</p> <p>Challenge: Can you retell your favourite story and draw some pictures to illustrate it? (beginning, middle, end)</p>	<p>Science: We are learning about MATERIALS (what things are made of). Make a table in your book using these headings: WOOD, GLASS, METAL, STONE, LEATHER Be a Science detective and hunt round your house and garden to find objects made from these materials, then write them in the table and draw a little picture.</p> <p>Challenge: Imagine you lived in a world where everything was made of food! What would your house be made from?</p>	<p>Topic: Important People x (P4C) Ask your family and friends: Who is the most important person in your life? Why? Who do you admire? Why? What if we don't admire the same people?</p> <p>Challenge: Can you find out who was important to your parents, or who they admired when they were young?</p>
