

Year 1 Home Learning Grid SUMMER 1: Please return any day of the week!

Choose **ONE** home learning activity each week. You can choose which one to do and in which order you do them.

Parents/Carers please sign and date when your child has completed each task. For when you have a busy weekend, we have included a Family Week. These are only suggestions of some things you might do and there is no need put anything in the homework book for the family week, unless you wish to. Just sign to show that that is the activity chosen.

<p><u>Maths 1: Measuring</u> Find a recipe in a cook book or online (try http://www.bbcgoodfood.com/recipes for a wide variety of sweet and savoury dishes) Practise measuring out the ingredients using weighing scales, measuring jugs and spoons. Bring in anything tasty for your teachers to test! ☺ <u>Challenge:</u> Measure 100g of 4 different foods - does each pile look the same? Which food has the biggest pile?</p>	<p><u>Writing 1: Recipes</u> Write out the recipe you used for the maths task OR Make up your own imaginary recipe for food that might be cooked on another planet! <u>Challenge:</u> Can you find out about some foods people eat in China that we might find really strange?</p>	<p><u>Science: Sound</u> We will be learning about Sound and Hearing this half term. Go into your garden - what can you hear? Draw and label all the things you hear. Tip: close your eyes when you listen <u>Challenge:</u> Make a sound stick - use a kitchen roll tube (or similar cardboard tubing) and fill it with rice, dried pasta or small beads. Decorate the outside and seal the ends. Make a few with different fillings. Which sounds the nicest to you?</p>	<p><u>Topic: China</u> Can you find out 10 interesting facts about China? Present them as a poster or little book <u>Challenge:</u> Can you find out how to write your name in Chinese characters?</p>
