

Year 5 Home Learning Grid - Autumn 1

Choose one home learning activity to complete each week. You can choose which one to do and in which order you do them. Homework books will be taken in on a **Wednesday** so they can be marked, and will be given back out on **Thursday**. Homework club will be during Tuesday and Wednesday lunchtimes. For when you have a busy week at home, we have included a Family Week.

All activities should be completed in your homework book to the best of your ability, using your best presentation.

<p><u>Maths:</u> If the answer is 60, what could the question be? + - x ÷ Try to give examples using all four operations. Do at least 10 examples.</p> <p>Challenge: Apply to different areas maths eg. The perimeter of a square with sides of 15cm 50% of 120 3/4 of 80</p>	<p><u>English:</u> It is 100 years since the birth of Roald Dahl. Create a poster, leaflet or biopic of this significant author, including relevant details about his life. Please don't just copy from the Internet! Include a paragraph about your favourite book of his, explaining why. Challenge: If you have watched any of the films linked to a Roald Dahl book, write a comparison to the story. Is it exactly the same? What has been changed/omitted? Why do you think they did that?</p>	<p><u>Creative:</u> The pagoda is a traditional Japanese building. Do some research to find out what they look like and how they were constructed Now present your own one. You could build it out of cardboard, lolly sticks, paper, paint one, draw it, use clay etc. Consider the colours and details carefully!</p>
<p><u>Science:</u> Go out into your local environment and find 3 different types of plants and 3 different types of animal. (Try to find 1 tree, 1 flowering plant, and one plant which produces berries/ fruit) Draw a picture of what you found and try to research its scientific name. Write a short paragraph about each plant and animal to explain where you found it, and why it is suited to living in that habitat. Challenge: Find out the Latin name for the plant, and write about how that type of plant reproduces</p>	<p><u>Topic:</u> In the classroom, there is a sheet with common Japanese words and the sounds you need to be able to construct sentences. In your homework book, practice writing some of the Japanese words and write the translation underneath. Try to use the sounds to construct words, such as your name. You could use the internet to find out how other words are written - maybe words which interest you, such as sports, character names or musical instruments, and have a go at writing them in your homework book.</p>	<p><u>Family Week:</u> For when you have a busy weekend. This is free for when you have something special planned for a weekend, or just feel like relaxing! (Remember, you only have one of these though!)</p> <p>Just get your parent/ carer to sign to say you have used your free week:</p> <p>Signed:</p> <p>Date:</p>
