

Year 5 Home Learning Grid - Autumn 2

Choose one home learning activity to complete each week. You can choose which one to do and in which order you do them. Homework can be handed in on any day of the week. Please let your teacher know when your work needs to be marked. We will keep a record of which piece of homework you have completed each week. Homework club will run on a Tuesday, Wednesday, Thursday and Friday lunchtimes. For when you have a busy week at home, we have included a Family Week.

All activities should be completed in your homework book to the best of your ability, using your best presentation.

<p><u>Maths:</u> The mental maths challenges have been handed out for this term!</p> <p>Please spend a week practicing the questions on your maths challenge, ready for the final on Thursday 15th December,</p> <p>Spare copies of the challenge are available in the letters tray for you to take home and practice with.</p>	<p><u>English:</u> (This will need to be done after your Shakespeare performance!)</p> <p>Write a review of your Shakespeare performance as if you were writing for a newspaper. You could include:</p> <ul style="list-style-type: none">- Comment on the casting- Particular strengths of the show- Lighting/ sound- An interview with one of the cast members- A recommendation for others to go and see it <p>There are lots of example reviews online - the CBBC website is a good place to start!</p>	<p><u>Creative:</u> Japanese artwork often features nature, such as the sea or plants.</p> <p>For your creative homework, create a piece of artwork in the same style as the pieces of art on the attached sheet.</p> <p>You could either recreate (copy) one of these pieces of art, or make up your own!</p> <p>What medium (paint, pencils etc) you use is up to you!</p> <p>Please take a piece of plain paper to complete this work on - we can then stick into your book.</p>
<p><u>Science:</u> We will be studying the Solar System later in the term.</p> <p>Research one aspect of the Solar System or space, such as: the International Space Station, different constellations, one of the planets (not Earth!), galaxies, how to become an astronaut, the history of space travel etc.</p> <p>Present it as a poster, booklet, written paragraphs in your book and accompany it with diagrams. Please do not just copy and paste information from the Internet.</p>	<p><u>Topic:</u> In Design and Technology, we will be planning and making sushi.</p> <p>For your homework, create an information poster about sushi. You could include:</p> <ul style="list-style-type: none">- Where it originates- Different types of sushi- What ingredients are commonly used- How sushi is eaten <p>Compare supermarket sushi to authentic Japanese sushi</p>	<p><u>Family Week:</u> For when you have a busy weekend.</p> <p>This is free for when you have something special planned for a weekend, or just feel like relaxing! (Remember, you only have one of these though!)</p> <p>Just get your parent/ carer to sign to say you have used your free week:</p> <p>Signed:</p> <p>Date:</p>
