

Year 6 Home Learning Grid - Autumn 1

Choose one home learning activity to complete each week. You can choose which one to do and in which order you do them. Homework books will be taken in on a Monday so they can be marked, and will be given back out on Tuesday. Homework club will be during Tuesday and Thursday lunchtimes, where children will have access to laptops and the Internet. For when you have a busy week at home, we have included a Family Week. All activities should be completed in your homework book to the best of your ability, using your best presentation. If homework is completed using ICT and you have no printing facility, homework can be emailed to: admin@albanwood.herts.sch.uk and will be forwarded on to your class teacher.

<p><u>Maths</u> If the answer is 60, what could the question be? + - x ÷ Try to give examples using all four operations.</p> <p>Challenge: Apply to different areas maths eg. The perimeter of a square with sides of 15cm 50% of 120 3/4 of 80</p> <p>Your work should be handwritten in your homework book.</p>	<p><u>Science</u> Find out fascinating facts about the human body using books/ the internet. Use these facts to write 10 multiple choice questions. You can bring these questions into school and test your friends' knowledge of the human body. Eg. How long are our large intestines? a) 50cm b) 100cm c) 150cm d) 200cm</p> <p>Write the questions and possible answers into your book. Remember to put a star by the correct answer!</p>	<p><u>English</u> Write an imaginative diary entry from the perspective of an animal (domestic or wild) of your choice. Include what they have done that day, their family set up, their food, habits, whether they are hunters/ hunted and their habitats. You can then share your diary entry with the class and they can guess what animal you had in mind. You can make your diary as imaginative/ humorous as you wish! Check out http://kids.nationalgeographic.com/animals/ for some animal inspiration. Your diary entry can either be typed or hand written in your homework book.</p>
<p><u>Topic</u> Create a 'Wanted Poster' for one of the British Monarchs, either current or past. Your poster should include:</p> <ul style="list-style-type: none"> - A picture (either printed or drawn) - Characteristics of the monarch - Personality - Why they are wanted - Where they might be found - Who their family is - Any other interesting information! <p>You can create your poster using ICT or hand write your poster on plain paper or in your homework book.</p>	<p><u>Creative</u> Create an information poster about the characteristics of these different groups of animals:</p> <ul style="list-style-type: none"> - Fish - Amphibians - Reptiles - Birds - Mammals <p>You should include the characteristics of each animal type, how they are suited to different habitats, and examples of animals which belong in the group. Your work can be created using ICT or hand drawn on plain paper or in your book. You can include drawn pictures or pictures from the internet.</p>	<p><u>Family Week</u> For when you have a busy weekend.</p> <p>This is free for when you have something special planned for a weekend, or just feel like relaxing! (Remember, you only have one of these though!)</p> <p>Just get your parent/ carer to sign to say you have used your free week:</p> <p>Signed:</p> <p>Date:</p>
