## **Netball Triumph!**

**Wow! Wow! Wow! Where to begin... We took our netball team to Futures Academy this evening for The School Sports Partnership's netball tournament. The team had to play three 24 minute matches so it was by no means easy but we concluded the evening as the overall winners!**

**To the players, we are so incredibly proud of not only the way you played tonight but for what amazing sports people you were. You were such gracious winners and celebrated the achievements of all of the other schools. A huge well done; on to the final!**

## **New Members of Staff**

**Many of may know that Mrs Richards is now on maternity leave and we wish her all the best. We are therefore welcoming Miss Woodland to Year 1.**

**We are also welcoming Mrs West to Reception and Miss Gibson to Nursery.**

**Even before lockdowns inflamed the situation, one in every five 10- to 15-year-olds was experiencing bullying online: abusive messages, having rumours spread about them or being excluded from group chats, for example. Through smartphones and tablets, we're used to being able to communicate from anywhere, at any time - but digital devices became commonplace so quickly that it caused a problem: as a society, we haven't properly adjusted to how different they've made life. NOS top tips can help you to build positive relationships online and avoid some of the potential issues.**

### **Reading Set a good example; be caught in the act!**

**Children are a product of their upbringing and mimic the behaviour they see at home, repeating the actions they observe from their parents or guardians. If a child observes their parent/guardian reading every night, then that child will emulate the same behaviour. So pick up a book, newspaper or magazine and get caught reading!**
