## Termly Curriculum Update – Year 3 2020 Autumn Term

Dear Parents and Carers,

Firstly, a massive welcome back to all of Year 3 and their families. After a very strange summer term, I am sure lots of you are looking forward to getting back to normality and from a personal perspective, I am excited to start at Alban wood!

To cover my PPA, Year 3 will have Ms. Czaikowska on a Friday morning. Each week the children will need their full P.E. kits on a Monday and Tuesday. They also need to make sure their homework is brought in on a Monday and that their reading books and records are in school every day. We are still awaiting finalised details from everyone active about how school swimming will be running – You will be updated as soon as the final arrangements are in place.

In addition to our English and Maths lessons, our topic this term is ‘Stone Age to the Iron Age’ and we will be focusing on this across History, Geography and Art lessons. There are lots of exciting activities planned and I am sure that the class will enjoy learning about this area of world history.. In P.E., we will begin the year looking at the sports of tag rugby and rounders. In Science, we will be looking at animals – including humans.

Each week the children are able to select a homework task from the grid. This will be collected in on a Wednesday. Reading is a very important skill and helps children across the entire curriculum. Please encourage your child to read as often as possible, aiming for three sessions a week.

Due to recent events, we are trying to limit the number of people on site, but it is still vital that we work together to support your children. If you have any queries or concerns, please call the school office and I will get back to you as soon as possible.

I look forward to the year ahead with you and your children.

Yours, sincerely,

Mr Severin  
Year 3 Teacher
